

# Drama Welcome Letter

Welcome to CHFM's Spring drama class!

We will spend these 12 weeks working on a play to be performed in April.

Each student will be responsible to work on memorizing their lines outside of class time.

I will be sending home a letter the first week of class with more details, dates to place on the calendar, and titles of the plays we will be doing.

I look forward to a wonderful semester together.

See you soon,

Mrs. Cole
