

Homeschooling Resources for Kansas Homeschooling Families

- **Registration** To register your family as a homeschool family, go to this resource to complete an Online Registration form for the State of Kansas. This is the document you can show to current schools should you need to un-enroll your child(ren). All children should be enrolled in school or registered as a homeschool family by the age of 7. <https://www.ksde.org/Agency/Division-of-Learning-Services/Career-Standards-and-Assessment-Services/CSAS-Home/Graduation-and-Schools-of-Choice/Non-Accredited-Private-Schools> Keep this document on file as proof that your children are receiving an academic education.

- **Kansas State Requirements** This document gives you the specifications required in the State of Kansas <https://www.ksde.org/Portals/0/CSAS/CSAS%20Home/Graduation%20and%20Schools%20of%20Choice/Graduation%20Requirements%20in%20Kansas.pdf?ver=2021-06-22-114140-173> , which is helpful to refer to and keep on track during the school year.
